

COMMUNICATION (CMMC)

CMMC 151, ORAL COMMUNICATION 3 (3)

Oral Communication is designed to provide students with the fundamental knowledge and skills to become better with public speaking and overall communication. Students will gain a foundation in interpersonal and small group communication, as well as solid grounding in public speaking. Students are required to deliver four speeches throughout the semester: a researched informative speech, a researched persuasive speech, a researched group presentation, and an impromptu speech. (OT 36, TAG)

General Education: GE01, GE02, GE03, GE04, GE05, GE08

Typically Offered: Summer, Fall and Spring Semesters

CMMC 152, COMMUNICATION THEORY 3 (3)

This course is designed to provide students with grounding in the key social and rhetorical theories in communication. It will explore how communication theories are developed and applied in a variety of contexts, including interpersonal communication, persuasion, group communication, mass communication, and intercultural/gender communication. Emphasis will be placed on the practical application of theory to real life situations. (TAG)

General Education: GE01, GE02, GE03, GE04, GE06

Typically Offered: Fall and Spring Semesters

CMMC 165, INTERPERSONAL COMMUNICATION 3 (3)

This course provides an introduction to interpersonal communication. It is designed to provide students with the knowledge and skills needed to improve person-to-person communication across platforms in personal and professional settings. Students will gain a foundation in interpersonal theory, as well as practical strategies for improving everyday communication. The course will include such topics as perception, privacy, identity, listening, language and communication, culture and communication, nonverbal communication, self-disclosure, expressing emotions, communication climate, development of friendships, family, romantic relationships, and conflict. Emphasis will be placed on the application of communication theory to real-life situations. (TAG)

General Education: GE01, GE02, GE04, GE05

Typically Offered: Summer, Fall and Spring Semesters

CMMC 169, SMALL GROUP COMMUNICATION 3 (3)

This course is designed to provide students with the fundamental knowledge and skills to become more effective participants in groups. Throughout the course, emphasis will be placed on the application of communication theory to actual group experience, with focus on overcoming obstacles to effective group dynamics. The course will include such topics as group roles, dealing with conflict in groups, problem-solving and decision-making, creating a constructive group climate, and leadership. (TAG)

General Education: GE01, GE02, GE03, GE04, GE06, GE08

Typically Offered: Spring Semester

CMMC 175, PERSUASION 3 (3)

Persuasion is a course designed to help students better understand the persuasive process and to become more effective consumers of persuasive messages. The course will provide theoretical knowledge about the nature and function of persuasion in our society as well as the opportunity to apply that knowledge in a variety of contexts. The class will examine persuasive influence in advertising, politics, mass media, and interpersonal relationships with a particular emphasis on the application of persuasive strategies to real life situations.

General Education: GE01, GE02, GE03, GE04, GE06

Typically Offered: Spring Semester

CMMC 177G, INTERCULTURAL COMMUNICATION 3 (3)

This course is designed to provide students with the knowledge and skills to become more proficient intercultural communicators. Students will build understanding of their own culture and communication more completely, become more knowledgeable about communication in differing cultures and learn how to manage barriers that sometimes make effective intercultural communication difficult. The course offers a combination of communication theory and hands-on application for improvement.

General Education: GE01, GE02, GE03, GE04, GE05, GE06, GE08

Typically Offered: Fall and Spring Semesters

CMMC 199, INTRODUCTION TO THE WORLD OF WORK - CMMC 1 (1)

This course provides an internship-level supervised work experience with an approval employer. Emphasis is on career exploration to maximize sound career decisions. Students also explore the role of a college education in career preparation. Focus on self-examination of the world of work in terms of values, skills, and interests. Exploration of occupational paths for all majors, disciplines, examination of employer-employee expectations, preparation of resumes and development of interviewing skills are covered.

Course Entry Requirement(s): A student must have completed a minimum of 12 semester credit courses at LCCC (courses transferred are not counted), have earned minimum 2.0 overall GPA; OR have divisional approval. Maximum three "1" credit courses allowed.)

Typically Offered: Offer as required

CMMC 271, INTRODUCTION TO LANGUAGE AND LINGUISTICS 3 (3)

This course provides a survey of the properties of human languages and their systematic study in the field of linguistics. We will examine language as a structured system of form and meaning and how language interacts with various aspects of society. This course provides the groundwork for future studies of language and communication in a broad range of disciplines: modern languages, communication, education, artificial intelligence, health, speech therapy, business, philosophy, sociology, anthropology and many other disciplines. No prior course work or exposure to linguistics is necessary. We will begin with the basic assumptions that are shared by those who study language from a variety of perspectives.

General Education: GE01, GE02, GE03, GE04, GE06

Typically Offered: Fall and Spring Semesters

CMMC 287, WORK-BASED LEARNING I - CMMC 1-3 (1)

This course provides supervised work experience building on experience in Work-Based Learning with approved employer(s) in an area related to the student's program. Emphasis is placed on integrating classroom learning with work experience. Students will be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. Activities are coordinated and evaluated by college personnel.

General Education: GE01, GE02, GE06, GE08

Course Entry Requirement(s): Prerequisite: Minimum 2.0 GPA overall and division approval

Typically Offered: Offer as required

CMMC 299, INDIVIDUAL STUDIES IN COMMUNICATION 1-3 (1)

An in-depth study of areas in communications presented by discussion and/or individual research and reading. Topics will vary. Repeatable up to six (6) times for a total of six (6) credit hours.

Course Entry Requirement(s): Prerequisite: Divisional approval

Typically Offered: Offer as required

CMMC 351, HEALTH COMMUNICATION 3 (3)

This course examines health communication theories and practices to promote effective interactions in healthcare settings, health behaviors, and public health. Students will explore these theories and practices in interpersonal settings (i.e., patient/provider), groups (i.e., healthcare organizations), and mediated platforms. This course is designed to improve communication related to health and well-being for both healthcare practitioners and everyday communication.

General Education: GE01, GE02, GE03, GE04, GE05, GE06

Course Entry Requirement(s): Prerequisite: Accepted into the BSN program or division approval

Typically Offered: Fall and Spring Semesters
